

DEATH OF REV. DR. H. D. HUNTER.

The sturdy Oak has fallen and there is loneliness throughout the city of Yale. On Tuesday, April 7th, the much beloved pastor of the First Presbyterian Church, the Rev. Dr. H. D. Hunter after a short illness, died at his post of duty while in the midst of his special preparatory services in his church for Easter. The Presbyterian Church has lost a leader who had an eminently successful record as a pastor and church administrator. His ministry of upward of forty years and more was divided between the conferences of Michigan, Ohio, Illinois, Missouri and Texas including upward of ten years in London, Canada. He was born in Mt. Albert, Canada, in 1851, of Irish parentage. His father John Hunter originally belonged to the Presbyterian church, and later to the Methodist church. The late Rev. Dr. Samuel J. Hunter and Rev. Dr. William J. Hunter of Toronto, Canada, are brothers of the deceased.

He was united in marriage with Miss Charlotte Price White of Weymouth, England, on the 11th day of May, 1871. The two children of Mrs. Hunter, John Edward and Pearl, the later pre-deceased her father less than one year ago which very much effected him.—Yale, Michigan, Record.

CHASE A DEER

Two hounds were seen chasing a deer to the creek on the Pharis farm within one-half a mile of town, Friday morning of last week. From the gait they were going, they had been on the chase for some time. They came from the Southeast. When last seen the deer was following the creek southwest, with one dog continuing the chase. Nothing has been heard of the deer or hound, but it is feared that some fellow killed the deer. No doubt that the deer came from the Roaring River or Rock Creek country.—Cassville Democrat.

LOSES TWELVE HEAD OF HORSES

The many friends of John L. Hankins residing northwest of this city, three miles, will be sorry to learn that up to Tuesday morning, he had lost twelve head of horses and mules and from what we can learn, it was caused from eating moldy shock corn and fodder, that produced forage poison. The report has been circulated that it was caused from eating ensilage, but they had not been fed ensilage for a week before, so Dr. Cook informed the Democrat Monday evening. Dr. Cook, the veterinarian, says the forage poison is what killed the stock.—Cassville Democrat.

Rheumatic Pains Relieved

Why suffer from rheumatism when relief may be had at so small a cost? Mr. Elmer Hatch, Peru, Ind., writes, "I have been subject to attacks of rheumatism for years. Chamberlain's Liniment always relieves me immediately, and I take pleasure in recommending it to others." 25 and 50 cent bottles. For sale by All Dealers.

SWAT THE ROOSTER

More and better eggs is the cry all over Missouri. To help along this movement June 1 has been selected as Rooster Day. On this day either kill or pen up all roosters. The hens will lay more eggs and they will keep fresh longer. A fertile egg spoils in a few days in hot weather while an infertile egg will remain in good condition for weeks. Swat the rooster and make money on your eggs.

Nothing So Good for Cough, Cold

When you have a cold you want the best medicine obtainable so as to get rid of it with the least possible delay. There are many who consider Chamberlain's Cough Remedy unsurpassed. Mrs. J. Boroff, Elida, Ohio, says, "Ever since my daughter Ruth was cured of a severe cold and cough by Chamberlain's Cough Remedy two years ago, I have felt kindly disposed toward the manufacturers of that preparation. I know of nothing so quick to relieve a cough or cure a cold." For sale by All Dealers

GARDNER MEETS WITH TRUSTEES

The new board of trustees for Wheaton met Monday with H. A. Gardner of Monett, who is preparing ordinances for the town and getting the trustees started out. He did not get all the ordinances ready while here, but will send down enough more to complete the organization. Gardner is a very busy lawyer and has built up a good practice in both Barry and Lawrence counties. He is making good with his work and has been very successful. His ability as a lawyer is recognized by all who know him and he has won the confidence and respect of all his acquaintances.

Two years ago he was offered the nomination for Prosecuting Attorney by the Republicans but declined. He is spoken of all over the county for this place again, but announced sometime ago that he would not make the race, as he would have to sacrifice other matters to make the campaign. Horace was raised here and we are all glad to see him succeed and climb on up the ladder.

REWARD OFFERED FOR CROWS

The Kings Prairie Sub-Order No. 183 A. H. T. A. has planned to have a crow day on May 2, 1914 and pay a reward of \$2.50 to the one that kills the greatest number of crows and \$1.00 to the boy that finds the largest number of crow eggs. Cutoff the crow heads and bring them to the school house, Saturday evening at 8 o'clock the Lodge will meet in open session and pay rewards on crow heads and eggs. Everybody is invited to take part in this contest as the crows have become a nuisance to the farmers. They eat our grain, catch the chickens and carry off the eggs.

JOS. WILLIAMS, Pres.

Clears Complexion, Removes Skin Blemishes

Why go through life embarrassed and disfigured with pimples, eruptions, blackheads, red rough skin, or suffering the tortures of Eczema, itch, tetter, salt rheum. Spring Laxative, Blood Cleanser

Flush out the accumulated waste and poisons of the winter months; cleanse your stomach, liver and kidneys of all impurities. Take Dr. King's New Life Pills; nothing better for purifying the blood. Mild, non-gripping laxative. Cures constipation; makes you feel fine. Take no other. 25c. at your Druggist. Bucklen's Arnica Salve for All Hurts.

To the Housewife.

Madam, if your husband is like most men he expects you to look after the health of yourself and children. Coughs and colds are the most common of the minor ailments and are most likely to lead to serious diseases. A child is much more likely to contract diphtheria or scarlet fever when it has a cold. If you will inquire into the merits of the various remedies that are recommended for coughs and colds, you will find that Chamberlain's Cough Remedy stands high. It is prompt and effectual pleasant and safe to take, which are qualities especially to be desired when a medicine is intended for children. For sale by all dealers.

Administratrix Notice

Notice is hereby given that letters of administration on the estate of C. Lewis, deceased, were granted to the undersigned, by the Probate Court of Barry County, Missouri, on the 17th day of April, 1914.
